School Uniform Order 2021-22

Dear Parents,

We will no longer be using School Trends to supply our uniforms due to recurring difficulties getting orders fulfilled.

Our new local supplier will be Paul O'Neill. He will be in school next Tuesday 8th June to allow children to try on school uniform so that parents can place orders for September 2021.

This service will be available in the school hall from 9:30am to 11:00am for pupils starting in P1 only. It will then be available for all others between 11:00am and 12:00 noon and 1:00pm and 3:00pm.

A deposit will be required with each order.

Please note: This service will be operated in line with Covid guidance.

Yours sincerely
