

Inspire, Believe, Achieve

7th March, 2022

Dear Parents/Carers,

It is with great privilege that I write this letter of introduction to you as Acting Principal of St Joseph's Primary School. I am extremely honoured to be given this wonderful opportunity and I am grateful to the Board of Governors for entrusting me with this secondment. Having just completed my first week in post I would like to thank all the pupils, staff, parents and Governors for the warm welcome I have already received. I look forward to getting to know each and every family in the months ahead. Along with the teachers and staff here at St Joseph's, I will work hard to continue to ensure that all pupils achieve both academically and socially, beyond personal expectations. Already I have witnessed the many strengths of St Joseph's and the wider school community of Killough. Together we will plan a way forward for St Joseph's and together we will bring about meaningful school improvement.

As a mother of two boys and a little girl, all of primary school age, I am fully aware of the demands and challenges we, parents, experience every day. I am committed to working with you and supporting you in whatever way I can, to ensure your child has the best educational experience that is both challenging and engaging, while instilling in them core Gospel values.

I look forward to meeting you over the coming weeks and hope to be able to welcome you all into the school once again, as we gradually return to some sort of normality.

Kind Regards

Jenni Maguire
