

Blackwater Integrated College

Learning Support Centre Open Day - 26th October 2022

At Blackwater IC, our Learning Support Centre caters for students who have moderate learning difficulties and a statement of Special Educational Needs.

Situated in the main school, the LSC provides a caring and stimulating environment for learning with the students involved in every area of school life.

We would encourage all interested parents and students to visit us on Wednesday 26th October 2022.

For details of our Open Day call us on
